I hereby authorize Pet Health of Hampstead Hospital to administer anesthesia and perform the surgery listed on this Treatment Plan. I acknowledge that I am the owner/appointed caregiver of the animal named above. I understand that surgery poses a risk to Chewy, regardless of health status. In the event of unforeseen complications, I give permission for the doctors and staff to take reasonable measures in treating my pet and accept all charges that are incurred as a result of such action. As the owner/appointed caregiver of Chewy, I understand by signing this Treatment Plan, I agree to pay for all charges +/- 15% of the fees shown on this Treatment Plan and will pay the balance in full upon discharge of Chewy. The surgery and relevant costs have been fully explained to me and my satisfaction. I guarantee that I have not allowed Chewy to eat food within the past 12 hours. If Chewy has fleas, I understand that flea treatment will be provided to my animal companion prior to the procedure at an additional cost.
